ABOUT US

Prem Chand Industry, established in 1985, is a leading manufacturer of high-quality sugar mill machinery, specializing in providing complete solutions for sugar factories and refineries. The company's product range includes Tail Bars, Boiler Casting, Tightening Blocks, All kind of shafts, Bevel Gears, Gears, Ram, GRPF Scrappers, Scrappers, Trashplates, Crown Pion, Square Coupling, Slates, Sprockets, Trash beam, TUFR Rollers, Rakes, Worm Wheel, Pulley, Rakes, Leveller, Hydraulic Cap, Chains & Spares, Etc. With a strong team of qualified engineers and professionals, Prem Chand Industry is known for its ability to adapt to challenges in project design and execution. It is ISO certified and has grown significantly over the years, expanding its capabilities to manufacture sugar mill plants, boiling houses, etc.

Prem Chand Industry operates from a sustainable industrial facility spread across 1,500 square meters. The spacious layout optimizes manufacturing efficiency and includes side space for future expansion. This infrastructure supports the production of high-quality sugar mill machinery and enables constant upgradation to meet the emerging demands of the industry. The facility ensures operational excellence and strengthens the company's ability to serve both domestic and international markets.

The company has successfully supplied and executed projects in Pan India like U.P , Bihar , Karnataka, Gujrat, Madhya Pradesh , etc and we think of internationally we have supplied our equipments to many users in Nepal. Prem Chand Industry is recognized for delivering high-quality machinery and offering tailored solutions to meet the specific needs of clients.

Prem Chand Industry, a leading sugar industry company, prioritizes continuous research, innovation, and technology improvement to ensure operational efficiency and productivity. The company has a strong reputation for high-quality products, precision engineering, and reliable customer service. Prem Chand Industry maintains close links with other industrial units for casting and forging mill parts, ensuring the highest standards in manufacturing. Driven by a vision to support India's sugar industry growth, the company remains committed to quality and timely delivery of products and services.

VISION & MISSION

► OUR MISSION

At Prem Chand Industry, our mission is to provide high-quality, precision-engineered sugar mill machinery that ensures operational efficiency, reliability, and long-term performance. We are committed to delivering tailored solutions that meet the unique needs of our clients while maintaining a focus on innovation, sustainability, and customer satisfaction. Our goal is to be a trusted partner in the sugar mill industry, driving success for our customers.

► OUR VISION

Our vision is to become a global leader in manufacturing and supplying top-notch sugar mill machinery by constantly evolving with technological advancements. We aim to deliver innovative, sustainable, and cost-effective solutions that enhance the efficiency and productivity of sugar mills worldwide. We aspire to build lasting relationships with clients and contribute to the growth and success of the sugar industry through our dedication to excellence.

WHY CHOOSE US?

Quality

Affordability

Choose Prem Chand Industry for high-quality, precision-engineered sugar mill machinery, backed by over three decades of industry expertise. We specialize in delivering customized solutions that incorporate cutting-edge technology, ensuring enhanced efficiency, durability, and performance. Our unwavering commitment to innovation, competitive pricing, and customer satisfaction makes us the trusted partner for reliable and cost-effective sugar mill components.

- ✓ Unmatched Quality: We provide precision-engineered sugar mill machinery crafted from high-grade materials for exceptional durability and performance.
- ✓ Customization Expertise: Offering tailored solutions that meet specific client requirements and industry standards
- ✓ Advanced Technology: Utilizing the latest innovations to boost efficiency, reliability, and productivity.
- ✓ Competitive Pricing: Providing high-quality products at affordable prices, ensuring great value for your investment.
- ✓ Extensive Experience: With over three decades of expertise in manufacturing and supplying sugar mill components
- ✓ Commitment to Excellence: We prioritize customer satisfaction, focusing on quality, innovation, and building lasting relationships.

WHAT WE OFFER

Mill House Equipment

At Prem Chand Industry, we provide a comprehensive range of Mill House Equipment designed to optimize the performance and efficiency of sugar mills. Our high quality equipment is crucial in the milling process, ensuring smooth and uninterrupted operations. From trash plates and scrappers to leveling gears and fibrizers, our products are engineered for durability and high performance.

Prem Chand Industry specializes in manufacturing top-quality Cane Preparation Equipment designed to enhance the efficiency and effectiveness of the sugar extraction process. Our cane preparation equipment ensures optimal crushing and extraction, maximizing the yield of sugar juice while minimizing wastage.
